## Our Lady of Fatima's Prayer for the Conversion of Sinners

O My Jesus, forgive us our sins, save us from the  
fires of hell, lead all souls to Heaven, especially  
those most in need of Thy mercy. Amen.

†

Mary specifically taught the children to pray this prayer  
after each decade of the Rosary but we can also pray it  
anytime during the day. Let us pray always for the Con-  
version of Sinners.

## Get Behind Me Satan?

As soon as the truth came out at Caesarea Philippi that Jesus was the Messiah, the Lord made clear the unpleasant implications for his followers. When Jews thought of the Messiah (Christ in Greek) in the first century, they thought of God's anointed, David, gloriously triumphing over the Philistines and just about everyone else. They thought about the peace and prosperity of the empire ruled by Solomon.

Jesus knew that the end of the story would be even more glorious than this—eternal life in the Kingdom of Heaven. But he also knew that the way to such triumph was the way of the cross, and that anyone who wanted to be his disciple needed to follow him on this *Via Dolorosa*.

Jesus had just named him “prime minister” by calling him “the rock” and giving him the keys. So Peter felt it entirely his place to pull the king aside and advise him to take a different road. As he had been praised by the Master, now he is rebuked. Jesus goes so far as to say to him, “Get behind me, Satan!” That's a far cry from “the Rock!”

Some have pointed to this as proof that Peter, and his papal successors, are not infallible as Catholics claim. But actually, Matthew 16 illustrates well what the Catholic Church teaches about the subject.

For Catholic doctrine does not proclaim that the pope can never make a mistake in personal judgment. It is only when he fully engages his authority as successor of Peter speaking from Peter's seat of authority (*ex cathedra*) that the Church guarantees him to be acting under the charism of truth given by the Father through the Spirit.

When Peter publicly proclaimed “you are the Christ,” Jesus pointed out that this was not from him, but from the Father. When Peter privately said, “God forbid that you should suffer,” Jesus notes that the source of this was himself. And what's worse, this human opinion was being used by a diabolic manipulator to tempt the Lord to choose comfort and honor over suffering and sacrifice.

## NEXT SUNDAY'S 2<sup>ND</sup> COLLECTION

Next weekend, September 9 & 10, the ushers will come around for the second collection. This collection will be for the Catholic University of America. If you do not have your envelopes, kindly put in your allotted contribution for this purpose.

Thank you for your continued sacrificial support as we struggle to keep our Parish alive and thriving financially.

### WHY DO I NEED A PARISHIONER NUMBER AND WHY SHOULD I USE MY ENVELOPES?

Are you a registered parishioner? If you are, you probably receive collection envelopes in the mail every two months or so. (Sometimes the post office doesn't deliver, but you can pick up a set at the office if you haven't received on time). The reason why you should be registered and use your envelopes is that when the time comes that you need a special permission letter so you can sponsor a baptism or confirmation or when you are preparing for marriage it will make it so much easier. So, if you are not registered, please call the Parish Office. If you are registered and you are not receiving envelopes we can set you up or if you do not want envelopes delivered then we can let you know your parishioner number so you can put that number on your check or on the envelope provided in church. Try to use the envelope at all times and print clearly please. It is important to know also that the church reports to the Archdiocese how many registered parishioners we have and how many actually attend Mass. The envelope system helps with this. Your attendance at Mass is so important to our Parish but most important to your spiritual health. Be sure to attend and receive the sacraments of Penance and Eucharist regularly.

## SMALL GROUP (CLUSTER) DISCUSSION REGARDING SCHOOL LOT LEASE

We will soon be forming discussion groups regarding the lease of the school lot. We have had quite a few calls asking about this and it would help to have some ideas or opinions from our concern parishioners.

Dates and times will be posted in next Sunday's bulletin.
