PRAYER TO ST. ANTHONY FOR HEALING

Dear St. Anthony, you loved God so much
when you lived upon the earth.

You were known, even then,
as a great Wonder-worker,
so great did His power live in you.

Now that you are in heaven,
you share in God's glory
and in His power in a more perfect way.

Look on me with kindness
as I come to you in my need.

I pray for healing for myself
and for those whom I love. Amen.

Statement of Cardinal Joseph Tobin on the United States Supreme Court ruling on Dobbs v. Jackson Matter

The United States Supreme Court's ruling on Dobbs v. Jackson Women's Health Organization to overturn the 1973 decision that legalized abortion nationwide recognizes that even the most helpless and dependent human beings have a right to life and possess inherent dignity and worth.

The Catholic Church teaches that all human life is sacred, from conception to natural death. We must oppose the many threats to human life and dignity evident in contemporary society, including abortion, euthanasia, assisted suicide, and capital punishment.

Abortion represents a failure to recognize the sanctity of human life and promotes a culture in which human life in its most vulnerable moment is perceived as disposable. It is telling that in the public debate, the unborn child frequently disappears from the moral calculus.

Furthermore, abortion is not healthcare. It is a disastrous attempt to create a false equivalency between the taking of innocent human life and the "reproductive health" of women in our society. It results in inhuman and lethal consequences.

We join with Pope Francis in noting that "it is troubling to see how simple and convenient it has become for some to deny the existence of a human life as a solution to problems that can and must be solved for both the mother and her unborn child" (Pope Francis, address to the United Nations, Sept. 25, 2020). Our Holy Father has repeatedly said that abortion is not a religious issue; it's a human rights issue.

We recognize that a woman's decision to have an abortion is often tragic and painful. A woman who takes this desperate action is often under great duress and is encouraged by social structures that are patently sinful. As people who care deeply for all women struggling with unplanned or unwanted pregnancies, we must ensure that life-giving options are available and our support does not end simply with the birth of a child.

We recognize that a significant number of our fellow citizens are angered by this decision of our nation's highest Court. We hope that all Americans can discuss respectfully how best to support women who face crucial decisions while recognizing the dignity of the most vulnerable among us.

We agree with the analysis of Pope Francis, who has made it clear that if we fail to protect life, no other rights matter.

A Kernel of History

(Part 36)

Beginning in January of 1990, Fr. Neil Collins formed a Senior Citizens Club for parishioners over 50. A special Wednesday noon Mass was always followed by social activities. The Club had over 80 members and continued for many years to come providing social and spiritual activities. 1990 also marked 25 years of service and financial support by the Cadillac Ball Committee. A most significant event occurred on November 17, 1990, when Fr. Joseph Ferraro was ordained. A lifelong parishioner and graduate of St. Anthony's School, he celebrated his first Mass at St. Anthony's on Sunday, November 18th at 3 PM. A buffet reception was held in the school cafeteria in celebration. His first assignment was at St. Ann's in Garwood and then in February 1991 he transferred to Holy Rosary Parish in Jersey City. Although he was not the first parishioner to be ordained he would eventually play a very important role at St. Anthony's.

More to come in future bulletins.

A WORD OF THANKS AND APPRECIATION

How can we express our thanks to such generous parishioners who have donated their time and treasure to our beloved St. Anthony's? We need to acknowledge those who, time and again, give of themselves without expecting a return. Truly their treasure is built up in heaven. We are truly grateful for *Joe Zarra* who donated safes for the Bingo Hall and the Sacristy and to *Teddy Diaco*, of Power Electric, who has donated all the electrical work and the lighting equipment needed around the church—inside and out. We thank you and may the Lord abundantly bless you.

Are You a Registered Parishioner?

You may think you are registered—but if you are not receiving envelopes for your weekly donations there is a big chance you are not registered. It is very important that you register at the Parish Office and use your weekly envelopes for giving. The reason for this is because all parishes report the number of parishioners in their Parish yearly and also when a parishioner needs proof that he or she is a Catholic in good-standing it makes the process very simple. You may need this proof if you are asked to be a sponsor for Baptism or Confirmation or when preparing for Marriage. You are encouraged to confirm your registration with our Parish Office by calling Leonora at 973.481.1991 during our office hours 10-4 Monday through Friday.

The Traveling Chalice

Today, July 3, the Sanabria Family will return the Chalice and it will remain at the altar for the summer. All are invited to spend some time praying for vocations while you visit the church until it begins traveling again in September.

We ask the Lord to hear our prayers for vocations as we continue with the Traveling Chalice Program. And, as a Parish Family, we all pray for those seeking the Lord for guidance in their vocation.
