**AN EXCERPT OF THE MESSAGE OF HIS HOLINESS POPE FRANCIS
FOR THE 107th WORLD DAY OF MIGRANTS AND REFUGEES 2021**

[26 September 2021]

TOWARDS AN EVER WIDER "WE"

Dear Brothers and Sisters,

In the Encyclical *Fratelli Tutti*, I expressed a concern and a hope that remain uppermost in my thoughts: "Once this health crisis passes, our worst response would be to plunge even more deeply into feverish consumerism and new forms of egotistic self-preservation. God willing, after all this, we will think no longer in terms of 'them' and 'those', but only 'us'" (No. 35).

For this reason, I have wished to devote the Message for this year's World Day of Migrants and Refugees to the theme, *Towards An Ever Wider "We"*, in order to indicate a clear horizon for our common journey in this world.

A Church that is more and more "catholic"

For the members of the Catholic Church, this appeal entails a commitment to becoming ever more faithful to our being "catholic", as Saint Paul reminded the community in Ephesus: "There is one body and one Spirit, just as you were called to the one hope of your calling, one Lord, one faith, one baptism" (*Eph 4:4-5*).

Indeed the Church's catholicity, her universality, must be embraced and expressed in every age, according to the will and grace of the Lord who promised to be with us always, until the end of the age (cf. *Mt 28:20*). The Holy Spirit enables us to embrace everyone, to build communion in diversity, to unify differences without imposing a depersonalized uniformity. In encountering the diversity of foreigners, migrants and refugees, and in the intercultural dialogue that can emerge from this encounter, we have an opportunity to grow as Church and to enrich one another. All the baptized, wherever they find themselves, are by right members of both their local ecclesial community and the one Church, dwellers in one home and part of one family.

An ever more inclusive world

I also make this appeal to journey together towards an ever wider "we" to all men and women, for the sake of renewing the human family, building together a future of justice and peace, and ensuring that no one is left behind.

Our societies will have a "colourful" future, enriched by diversity and by cultural exchanges. Consequently, we must even now learn to live together in harmony and peace.

Today's migration movements offer an opportunity for us to overcome our fears and let ourselves be enriched by the diversity of each person's gifts. Then, if we so desire, we can transform borders into privileged places of encounter, where the miracle of an ever wider "we" can come about.

I invite all men and women in our world to make good use of the gifts that the Lord has entrusted to us to preserve and make his creation even more beautiful.

The dream begins

The prophet Joel predicted that the messianic future would be a time of dreams and visions inspired by the Spirit: "I will pour out my spirit on all flesh; your sons and your daughters shall prophesy, your old men shall dream dreams, and your young men shall see visions" (*Joel 2:28*). We are called to dream together, fearlessly, as a single human family, as companions on the same journey, as sons and daughters of the same earth that is our common home, sisters and brothers all (cf. *Fratelli Tutti*, 8).

VOLUNTEERS' PICNIC 2021

It was a gorgeous day last Saturday, September 18. The picnic for our active parish volunteers was a success and truly blessed. It started with a Holy Mass at the rectory grounds and continued with food, drinks, songs & dances until 9pm. Thanks and kudos to **Tom Collucci** for working hard in preparing the delectable food. Thanks too to those who brought in dessert of various kinds. We hope to replicate this next year with the entire parish community.
