## ***Pastor's Corner***

**My dear parishioners and friends,**

As we close the liturgical year with the Solemnity of Christ the King, we are powerfully reminded of God's sovereignty over our lives. With this reminder comes a call to action: to entrust ourselves completely to Him. Our individual journeys—just as our journey as a parish community—are always guided, directed, and sustained by God.

For some of us, especially those who attended the *We Are His Witnesses Listening Sessions*, the proposed plan for our parish to be merged or even closed may have stirred feelings of discouragement or frustration. But we must not lose hope or give in to anger. Instead, this is the time to stand firm, to strengthen our resolve, and to face the challenge with faith and unity.

Our parish has been alive for almost 125 years. We can only imagine the difficulties and sacrifices our founders and ancestors faced when this community was first established. If they overcame their challenges, why can't we? With the beautiful diversity of our parishioners and the steadfast leadership we have today, I firmly believe that St. Anthony's will continue to thrive for many more years—perhaps even for another 125 years.

For now, what is asked of us is simple yet essential: continue living our parish life with enthusiasm, stay committed to our activities and upcoming events, and prepare wholeheartedly for this new milestone in our parish history. We especially encourage those who may feel indifferent or who may have taken parish life for granted—this is the moment to step forward, participate, and share your time, talents, and treasure.

Next Sunday, we begin the Season of Advent and enter a new liturgical year. As we welcome this new beginning, may we do so with renewed energy and a stronger commitment to preparing our parish for the mission of the New Evangelization—keeping St. Anthony's open, vibrant, and alive for the generations to come.

To our registered parishioners, if you feel called to get involved, please reach out. Do not hesitate to contact the parish office, speak to our priests, or approach our parish leaders. And to our long-time parishioners, I ask you to be welcoming and approachable toward our new members. Let them feel that they are needed, valued, and truly part of our community. Allow their energy to inspire and rekindle your own.

May Christ the King reign in our hearts and in our ever-faithful and vibrant community of St. Anthony's Parish!

Start planning now to attend our big 125th Anniversary Blast in October 2026 as we celebrate 125 years of Faith, Family and Service. The cost at Nanina's in the Park is going to be about \$150 per person. So, think about setting aside just a few dollars every week so you won't be missed! It is so important to celebrate with our Parish Family as we enter into a new era of very hard times in this world! Let's build each other up by staying close and be sure to attend Mass every Sunday! Also, think about joining one or more of our activities like the Rosarians or Theology Class or St. Anthony Society. **You are important and can make a difference!**
